

Progress chart - Planning for session 2

Please find below a guide on how to prepare for session 2.

Exercise (including estimated time to complete)	Guide
<p>Take a look at the video for an outline to this session.</p> <p><u>Session 2 Video</u></p>	<p>Information about session 2 can be found on the video and email.</p>
<p>Put together presentation in preparation for the virtual presentations session and decide who will be presenting on the day.</p>	<p>Template provided on email.</p>
<p>Watch the following videos as a team and discuss the questions in the next box.</p> <p><u>Measurement for improvement 1</u></p>	<p>Meet to discuss the following questions -</p> <ul style="list-style-type: none">• What is that we are trying to improve?• What would great look like?• Are we measuring the right things to tell us that we have made an improvement? 

[Measurement for improvement 2](#)

[Measurement for improvement 3](#)

- How can we collect real time data to find out how our changes are working?

We will have a short recap on Measurement for Improvement in our next session - so **please prepare questions** if needed.

We look forward to seeing you on session 2!

This will be a great opportunity to showcase your work so far and to learn from others

If you have any questions on the above, please contact:
